IT Security and Solutions that work for you!

8(a) STARS II GWAC

Previous Clients

IT Solutions Support

CIPS Partners helps federal civilian and defense customers solve some of their toughest challenges in technology. We provide our clients with a comprehensive source of technical capabilities in the following core competency areas:

- IT Infrastructure Support and Open Systems Integration
- Cloud Computing and Virtualization
- Web and Application Development
- Operations, Maintenance and Help-Desk Support
- Cyber Security, IT Security and Certification and Accreditation (C&A) Support
- Data Analytics, Warehousing and Business Intelligence

About CIPS Partners 8(a) STARS II GWAC

CIPS Partners, LLC's 8(a) STARS II is a pre-competed GWAC. The GWAC is a multiple-award, indefinite delivery, indefinite quantity (IDIQ) contract that is structured to promote small business utilization by the federal government when purchasing information technology (IT) services or IT services-based solutions from qualified preselected 8(a) firms. It is an easy to use contract with streamlined ordering procedures based on FAR 16.505 and supports timely order award (including Sole Source).

- 8(A) STARS II Contract Number: GS-06F-853Z
- Period of Performance: Aug. 31, 2011 – Aug. 30, 2021

Contract Features

CIPS Partners offers both the 8(a) STARS II **Constellation I** services that cover its competitive pricing, and technical proficiency and **Constellation II** services that provide the same strengths as Constellation I, plus the added benefit of our Capability Maturity Model Integration (CMMI) Level III Development credential which more than meets the CMMI II Development credential on the GWAC.

- CI FA1 / CII FA1 541511 - Custom Computer Programming
